Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Monday 08 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Very cold with snow showers and brisk easterly winds.

This Evening and Tonight:
Occasional snow showers will move west across the region on the brisk easterly breeze overnight, with accumulations to all levels. It will feel very cold with a hard frost and some patchy ice. Minimum temperature -4 deg C (25 deg F).

Tuesday:
Snow showers continuing, but some brightness between the showers. Icy stretches remain possible with bitterly cold, fresh easterly winds. Another hard frost overnight. Maximum temperature 2 deg C (36 deg F).

Outlook for Wednesday to Friday:
Snow showers initially on Wednesday, becoming lighter then clearing later. Drier and brighter on Thursday, with a risk of snow again Friday. Bitterly cold with hard frosts and icy patches.
